

GDPR: ONLINE TRAINING ACTIVITIES (WEBINAR) INFORMATION

Registration for online technical training projects requires the acquisition of the personal data requested in the registration form. These personal data are processed by the Data Controller Caleffi SpA, based in Strada Regionale 229 n. 25, 28010 - Fontaneto d'Agogna (NO), and precisely by its internal staff exclusively for the technical organization of online training and are not communicated to third parties. The processing takes place following the consent of the interested party which manifests itself through the voluntary compilation of the form. The data are kept for the duration of the management needs, which also include the conservation of the documentation relating to the activities carried out. Any proposals for additional services will be formulated with separate communications by e-mail, on the basis of any consent expressed by the interested parties. The online training activity is carried out using the "GotoWebinar" platform of LogMeIn Inc., which acts as an independent data controller. Consult the link "<https://www.logmeininc.com/it/legal>" for information on the processing of personal data by LogMeIn.
