

INTRODUCTION

Pursuant to art. 13 of Regulation (EU) 2016/679 (hereinafter "Regulation"), this information describes the methods of processing the personal data of users who consult the website www.caleffi.com).

This information does not concern other sites, pages or online services accessible via hypertext links that may be published on the sites but referring to resources outside the domain.

The processing of personal data will be based on principles of lawfulness, correctness and transparency, purpose limitation and storage, data minimization, accuracy, integrity and accountability, to protect the privacy and rights of the data subject.

THE DATA CONTROLLER

The Data Controller is Caleffi S.p.A. based in Strada Regionale 229 n. 25, 28010 - Fontaneto d'Agogna (NO).

PURPOSE, LEGAL BASE AND CATEGORIES OF PERSONAL DATA

The personal data indicated on this page are processed by the owner in order to facilitate contact with his own structure on the basis of the consent of the interested parties which appears following the voluntary navigation on the site and the legitimate interest of the owner himself to manage the site in a manner efficient and safe.

Navigation data

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of internet communication protocols. This information is not collected to be associated with identified interested parties, but which by their very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes IP addresses or domain names of the computers used by users who connect to the site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters relating to the operating system and the user's IT environment.

These data are used for the sole purpose of obtaining anonymous statistical information on the use of the site and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in the event of hypothetical computer crimes against the site: except for this possibility, the data on web contacts do not currently persist for longer than the time necessary to achieve the aforementioned purposes.

Data provided voluntarily by the user

The optional, explicit and voluntary sending of e-mails to the addresses indicated on this site entails the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the message.

Specific information will be reported or displayed on the pages of the site set up for particular services on request.

Apart from what is specified for navigation data, the user is free to provide personal data contained in the forms on the site or otherwise indicated for sending information material or other communications. In some modules, the information whose supply is essential to provide the requested service, and which information whose compilation is optional, can be highlighted.

Failure to provide essential information will make it impossible to obtain what is requested.
