

Win a FREE trip to Italy!

Break through, show us
your best design job and
unveil your hidden value.

Enter Contest Today!

Caleffi will be giving away a trip to Italy over the next 12 months. Will it be yours?

Beginning in September 2014 and continuing for a year we are inviting designers, contractors, and engineers to showcase their work that feature our products in the Caleffi Excellence contest. Each month (for twelve months), Caleffi will select three finalists that will be voted on during our monthly Coffee with Caleffi™ webinar. The entrant receiving the most votes during the webinar will receive an iPad® mini. As an added feature for 2014-2015, there is now a monthly product focus. Enter a design featuring the product and you'll receive a special gift!

After 12 months, a grand prize winner will be chosen from the 12 monthly winners. Selected from a panel of industry experts and Caleffi executives, the grand prize winner and their guest will win a trip to Italy to see Caleffi World Headquarters and receive a personalized tour of our factories and design facilities.

Buona Fortuna! (Good Luck)
