# Buy American Act (BAA) Compliance

February 2025

Caleffi products listed below comply with Buy American Act requirement of 65% of content sourced in the United States:

- NA10103 series Pre-mixed High Temperature Propylene Glycol
- NA25510 Fill and Flush Pump Cart
- NA51 series serviceable low-lead check valves
- NA573 Replenishment water treatment filling unit

Caleffi products listed below meet the Buy American Act per FAR 52.225-11 Buy American-Construction Materials under Trade Agreements with content originating in countries that have signed an international trade agreement with the United States:

- NA108 series isolation ball valves
- 108 series iStop Anti-Freeze valve
- NA109 series Y-strainer
- 116 series ThermoSetter Thermal Balancing Valves
- 1164 series ThermoSetter Compact Thermal Balancing Valves
- 120 and 128 series Y-strainers
- 121 series FlowCal Dynamic Balancing Valves
- 127 series FlowCal and FlowCal+ Dynamic Balancing Valves
- 128 series FlowCal and FlowCal+ Dynamic Balancing Valves
- 130 series Flo-Set Fixed Orifice Balancing Valves
- 132 series Quicksetter and QuickSetter+ Balancing Valves
- 142 series Flow-Set Variable Orifice Balancing Valves
- 145 series FlowMatic Pressure Independent Control Valves and Actuators
- 149 series FlowMatic Express HVAC terminal unit coil connection kits
- 166 series HydroMixer Mixing Unit
- 167 series HydroMixer Mixing Unit
- 172 series Manifold Mixing Stations
- 200 series Thermostatic Control Heads
- 201 series Thermostatic Control Heads
- 203 series Thermostatic Control Heads
- 220 series Thermostatic Radiator Valves
- 221 series Thermostatic Radiator Valves
- 250 series Automatic Air Vent for Solar
- 251 series DISCAL Air Separator for Solar
- 251 series DISCALAIR Automatic Air Vent for Solar
- 253 series Safety Relief Valves for Solar
- 278 and 279 series Solar Pump Stations
- 280 series ThermoProtec Boiler Protection Valves
- 281 series ThermoBloc Boiler Protection Units
- 290030 and 290031 series isolation ball valve
- 290 series Service Valve Kit
- 301X series Thermostatic Radiator Valves
- 304 series Vacu-Stop Vacuum Relief Valves
- 3047 series serviceable check valves

- 3048 series FlowShield DuC Dual Check Backflow Preventers
- 337 series Manual Air Vent
- 338 series Thermostatic Radiator Valves
- 339 series Thermostatic Radiator Valves
- 342 series Thermostatic Radiator Isolation and Balancing Valves
- 343 series Thermostatic Radiator Isolation and Balancing Valves
- 501 series MAXCAL Automatic Air Vent
- 5020 series MINICAL Automatic Air Vent
- 5021 series MINICAL Automatic Air Vent
- 5022 series VALCAL Automatic Air Vent
- 5023 series VALCAL Automatic Air Vent
- 5026 series ROBOCAL Automatic Air Vent
- NA5026 series PLUMBVENT Automatic Air Vent for Plumbing
- 5027 series ROBOCAL Automatic Air Vent
- NA5027 series ROBOCAL Automatic Air Vent
- 5080 series HYGROCAL Automatic Air Vent
- 519 series Differential Pressure By-pass Valve
- 5212 series SinkMixer Thermostatic Mixing Valves
- 5213 series TubMixer Thermostatic Mixing Valves
- 520 series AngleMix Thermostatic Mixing Valves
- 520 series AngleMix+ Thermostatic Mixing Valves
- 520 series AngleMix DL Thermostatic Mixing Valves
- 520 series TankMixer Thermostatic Mixing Valves
- 520 series TankMixer Compact Thermostatic Mixing Valves
- 520 series TankMixer Combi Thermostatic Mixing Valves
- 520 series TankMixer Compact Combi Thermostatic Mixing Valves
- 521 series MixCal Thermostatic Mixing Valves
- 5231 series MixCal+ Thermostatic Mixing Valves
- 533H series PresCal Compact Pressure Reducing Valves
- 535H series PresCal Pressure Reducing Valves
- 536 series PresCal HP Pressure Reducing Valves
- KIT536535 series Two Stage Pressure Reduction Kit
- NA5453 series DIRTMAG Dirt and Magnetic Separator
- 546 series DISCAL DIRT Air and Dirt Separator
- NA546 series DISCAL DIRT Air and Dirt Separator
- NA546M series DISCAL DIRT Air and Dirt Separator
- 5461 series DISCAL DIRTMAG Air, Dirt and Magnetic Separator
- 5463M series DIRTMAG PRO Dirt and Magnetic Separator
- 5465M series DIRTMAG Dirt and Magnetic Separator
- NA5465M series DIRTMAG Dirt and Magnetic Separator
- 548 series Hydro Separator Hydraulic Separator
- NA548 series Hydro Separator Hydraulic Separator
- NA549 series HydroCal Hydraulic Separator
- 5495 series SEP4 Combination Air, Hydraulic, Dirt and Magnetic Separators
- NA549 series SEP4 Combination Air, Hydraulic, Dirt and Magnetic Separators
- 551 series Gold Standard Kit
- 551 series DISCAL Air Separator
- 551 series DISCAL AIR Automatic Air Vent
- 551 series DISCAL Compact Air Separator
- 5517 series DISCAL Rotating Collar Air Separator
- NA551 series DISCAL Air Separator
- NA553 series Boiler Trim Kits
- 553 and 5350 AutoFill Filling Units
- 573 and 574 series AutoFill Combo Filling units
- 559 series HydroLinks

- 573 series FlowShield DuC-AV Dual Check with Atmospheric Vent Backflow Preventers
- 574 series FlowShield RP Reduced Pressure Backflow Preventers
- 577 series Caleffi XF
- 6000 series LEGIOMIX digital mixing valves and stations
- 6000 series LEGIOMIX Station
- 6003 series LEGIOMIX digital mixing valves and stations
- 6003 series LEGIOMIX Station
- 626 series Uni-Switch Universal Flow Switch
- 638 series Motorized Ball Zone Valves
- 644X series Motorized Ball Zone Valves
- 656 series Thermoelectric Actuators
- 659 series Manifold Boxes
- 668 series TwistFlow Distribution Manifolds
- 6762 series TwisTop Zone Valves
- 6767 series TwisTop+ Zone Valves
- 680 and 682 series PEX-AL-PEX fittings
- 7504 series CONTECA Heat Meters and Datalogger
- NA797 series V40 Flow Meters
- Z-one series Zone Valve and Actuator
- Z1 series Zone Valve Actuator
- Z2 series Zone Valve
- Z3 series Zone Valve
- Z4 Z-one series Zone Valve and Actuator
- Z5 Z-one series Zone Valve and Actuator
- ZSR series Z-one Relay Controller
- ZVR series Z-one Relay Controller
- Brass Fittings for Union Connections
