### Newly Published Literature from Caleffi

**MILWAUKEE – Wednesday, Jan. 29, 2020:** Caleffi North America, Inc., a leader in state-of-the-art engineered solutions for hydronic and plumbing systems, has two new publications off the presses:

**2020 PLUMBING and HYDRONICS CATALOG** - The comprehensive product catalog incorporates all of Caleffi's high-quality hydronic and plumbing components into one document with list prices, detailed product information and illustrations.

**26<sup>th</sup> Edition of *idronics*<sup>™</sup> : Pipe Joining for Plumbing and Heating Systems** - *idronics* is a semi-annual, complimentary journal of design innovation and is written for hydronic and plumbing professionals. The newest edition of *idronics* discusses classic and contemporary methods of joining piping in hydronic and plumbing applications. The intent is to equip designers and installers with information that helps them select pipe joining systems that are proven effective, with emphasis on modern methods that simplify and speed installation.

The new literature will be available at **Booth 6581** during the upcoming **AHR Expo** in Orlando, Fla., Feb. 3-5. Or to receive a hard copy of either publication, please visit [www.caleffi.us](http://www.caleffi.us) or contact us at (414) 238-2360.

**CALEFFI** – *Creating innovative, superior performance products that help customers live comfortably and economically, while softening their impact on the environment.*
