### Safe and Easy Isolation

**MILWAUKEE – Monday, July 12, 2021:** Caleffi North America, a global leader and manufacturer of innovative products for plumbing, heating and cooling, is pleased to offer its 1" male x 1" female union thread isolation ball valve. The [290030 valve](#) is designed to fit conveniently between any Caleffi 1" union valve body and tailpiece. It is low-lead compliant and is certified to NSF/ANSI 372 and NSF/ANSI/CAN 61. An optional stem extension is available for projects requiring pipe insulation.

The isolation valve is compatible with our most popular Caleffi valves including FlowCal™ and QuickSetter+™ balancing valves, AngleMix™ and MixCal™ thermostatic mixing valves, Z-one™ zone valves and PresCal™ pressure reducing valves.

Please visit our website at [www.caleffi.us](http://www.caleffi.us) or call us at (414) 238-2360 for further product information.

**CALEFFI** – *Creating innovative, superior performance products that help customers live comfortably and economically, while softening their impact on the environment.*
